

**UNITED STATES DISTRICT COURT
DISTRICT OF MASSACHUSETTS**

SINGULAR COMPUTING LLC,

Plaintiff,

v.

GOOGLE LLC,

Defendant.

Civil Action No. 1:19-cv-12551-FDS

PLAINTIFF’S REQUEST FOR STATUS CONFERENCE

Pursuant to paragraph 4 of the Procedural Provisions of the Corrected Scheduling Order (Dkt. No. 70, p. 4), plaintiff, Singular Computing LLC (“Singular”), requests the Court to schedule a further Status Conference in this case.¹

The prior Status Conference took place on May 26, 2022. At that time, the Court had not issued its Claim Construction Order (“CCO”). Nonetheless, the Court stated that “[b]efore very long passes, [the Court does] want to set a trial date” and that the Court did not “think that late winter or spring is an unrealistic time frame by any means” for trial. *See* 5/26/22 Tr. at 14. The Court issued its CCO ten weeks ago, on July 27, 2022. *See* Dkt. No. 354. Accordingly, Singular submits that now is an appropriate time for the Court to hold a further Status Conference to move the case along in accordance with Fed. R. Civ. 1 by setting: (A) a trial date, and (B) deadlines for expert discovery and pretrial matters.

For the foregoing reasons, Singular requests that the Court schedule a Status Conference to be held on the earliest convenient date.

¹ Counsel for Singular has given notice of this request to counsel for defendant Google LLC (“Google”) pursuant to paragraph 4 of Procedural Provisions of the Corrected Scheduling Order.

Dated: October 5, 2022.

Respectfully submitted,

/s/ Paul J. Hayes
